COLLEGE ADDRESS

400 McCutcheon Drive
West Lafayette, IN 47906

OBJECTIVE My goal is to gain professional experience applying my knowledge of Computer Science in a work environment. I greatly enjoy Computer Science and I want to do everything I can to better myself in the field. Because I only plan to attend an undergraduate school for three years, I have two summers before I graduate and I intend to capitalize on them both.

EDUCATION AND WORK HISTORY

Purdue University

B.S. Candidate in Computer Science, anticipated graduation in 2026

- Computer Science Honors Major
- Math Minor
- Current GPA: 3.8

C. Milton Wright High School

- Graduated: 2023
- Class Rank: 13 / 285
- Weighted GPA: 4.500

Dairy Queen, Summer 2023

Senior Class Counsel

HONORS

National Honor Society Tutor

National Math Honors Society Tutor

National Science Honors Society Member

Spanish Honors Society Member

RELATED COURSES

High School

- AP CS Principles
- AP CS A (Java)
- Limits, Derivatives, and Basic Integrals
- Advanced Integration, Series, Intro to M.V.C.

College

- Multivariate Calculus
- Object-Oriented Programming
